## Foamcore box insert and trays

All measurements are in millimetres in this format: width x height.  
Foamcore thickness is 5mm.

### Using Foamcore: The Basics

- Always use a sharp craft knife and a metal ruler, be careful of your fingers, and cut directly down to ensure a clean 90° edge.
- Measure carefully; using a cutting mat marked with a grid can be helpful to ensure accurate 90° angles.
- Draw a thin line of white craft glue along the middle of the foamcore edge and clean up any excess after pressing surfaces together.
- Use dressmaking pins to keep pieces together; you can remove them once the glue is dry.

# WELCOME TO DARK MOON

ノグチ 真崎 株式会社  
THE NOGUCHI MASAKI INTERPLANETARY MINING CORPORATION  
WELCOMES YOU TO ITS OUTPOST ON TITAN, THE DARK MOON OF SATURN.  
PLEASE PROCEED IMMEDIATELY TO THE OPERATION MANAGER'S OFFICE  
TO RECEIVE YOUR ASSIGNMENT AND SURVIVAL HANDBOOK.  
THANK YOU, AND ENJOY YOUR DEPLOYMENT WITH NOGUCHI MASAKI!

I am writing this so there is a record of what happened here. And a warning. A week's ago we drilled into a new pocket of plutonium; the biggest we've ever found on Titan. Commander Matthews and Kilroy were on the lead crew. They went in first and something happened. We're not sure what, can't even picture what we've seen before. We quarantined them both per standard protocol, and sent a report back to HQ. Those bastards only cared about the plutonium. If anyone from Noguchi Masaki is reading this, you can all go to hell.

After a week, Matthews and Kilroy seemed fine, and in Tamoko gave them out. We were in the command center, prepping another trip to the deposit, when it happened. I wouldn't believe it if I hadn't seen it with my own eyes. Matthews calmly took out his ballpoint pen and shoved it into Garcia's eye. He was trying to disembowel what was left of the corpse when I shot him in the head. There was no expression on his face. He was robotic, human. Now Kilroy has disappeared and the comm center has been sabotaged. We found what was left of Johnson's body when we went to check on it.

I've taken command. Kilroy is still missing and now the support is beginning to fail. I think the shield is on the way out too. I don't know who to trust. Chaya said she's fine, but we threw her into quarantine. Tamoko said to send myself and that's what he said before. He could be lying. I demand from me, believe me, says that I killed Matthews. He wants to take the blame. ALL OF THEM, I'm the only one who isn't compromised. I'm the only one I can trust.
