Game: MANSIONS OF MADNESS	v1.1
Publisher: Fantasy Flight Games (2011)	
Foamcore box insert and trays (All measurements in millimetres)	Mar 2014
Use 5mm black foamcore available in art supply stores.	

Using Foamcore: The Basics

- always use a sharp craft knife and a metal ruler, be careful of your fingers, and cut directly down to ensure a clean 90° edge.
- measure carefully; using a cutting mat marked with a grid can be helpful to ensure accurate 90° angles.
- draw a thin line of white craft glue along the middle of the foamcore edge and clean up any excess after pressing surfaces together.
- use dressmaking pins to keep pieces together; you can remove these once the glue is dry.

Please note that the accuracy of these plans is not guaranteed and no responsibility is taken for errors. We recommend checking all measurements and using your own discretion as you build. Use at your own risk.
